CLARI-TONING THERAPY & FACIAL

If you are looking to get rid of acne, post acne scars
and blemishes quickly, look no further!

Clari-toning helps to clear bacteria on the skin, reducing acne formation
as well as lightening of scars and dark spots on our skin, effectively!
For best results, we recommend clients to come every fortnightly for the
first 3 sessions. Our team will assess the condition of each individual's
skin and recommend accordingly.
